

Woodgrain Waterproof Click Floating Floor

UPDATED

In Stock

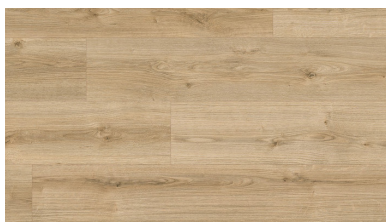

GREENGUARD GOLD

Technology x Naturalism in this state of the art collection. Realistic embossed woodgrains capture the heart and soul of hardwood in a high performing, impact and scratch resistant waterproof click floating floor + an attached pad that offers the added benefit of allowing for an acoustical product. A lifetime warranty, ease of maintenance and installation make this a solution-based and cost-effective flooring decision for the Multi-Family / Residential segment.
